

# MooiMed Private Hospital

## Medical Aid Designated Service Providers (DSP)

Below list is specific to Schemes and options participating in a Hospital Network. Always confirm applicable network co-payments with your medical scheme. Procedural and or admission co-payments will continue to apply as per your benefit rules. Please discuss the applicable co-payments with Hospital management. If your plan is not on the list, you can visit any hospital.

| Scheme Name                                                                                                                                   | Network Type        | Benefit Option Name           | Network Participation | Exception |

# MooiMed Private Hospital

## Medical Aid Designated Service Providers (DSP)

Below list is specific to Schemes and options participating in a Hospital Network. Always confirm applicable network co-payments with your medical scheme.  
Procedural and or admission co-payments will continue to apply as per your benefit rules.  
Please discuss the applicable co-payments with Hospital management. If your plan is not on the list, you can visit any hospital.

| Scheme Name                                                                                                              | Network Type                  | Benefit Option Name         | Network Participation | Exception |

# MooiMed Private Hospital

## Medical Aid Designated Service Providers (DSP)

Below list is specific to Schemes and options participating in a Hospital Network. Always confirm applicable network co-payments with your medical scheme. Procedural and or admission co-payments will continue to apply as per your benefit rules. Please discuss the applicable co-payments with Hospital management. If your plan is not on the list, you can visit any hospital.

| Scheme Name                                                                                                                                  | Network Type        | Benefit Option Name        | Network Participation | Exception |

# MooiMed Private Hospital

## Medical Aid Designated Service Providers (DSP)

Below list is specific to Schemes and options participating in a Hospital Network. Always confirm applicable network co-payments with your medical scheme. Procedural and or admission co-payments will continue to apply as per your benefit rules. Please discuss the applicable co-payments with Hospital management. If your plan is not on the list, you can visit any hospital.

| Scheme Name                                                                                                                             | Network Type        | Benefit Option Name                                                                       | Network Participation | Exception |

# MooiMed Private Hospital

## Medical Aid Designated Service Providers (DSP)

Below list is specific to Schemes and options participating in a Hospital Network. Always confirm applicable network co-payments with your medical scheme. Procedural and or admission co-payments will continue to apply as per your benefit rules. Please discuss the applicable co-payments with Hospital management. If your plan is not on the list, you can visit any hospital.

| Scheme Name                                                                                                       | Network Type        | Benefit Option Name    | Network Participation | Exception |
