

Covid-19 Communication

The **safety** of our patients, employees, doctors and community members is our priority.

Our staff and facilities are **prepared** for the COVID-19 outbreak.

Our procedures are aligned with the **NICD guidelines**.

Preventative measures

Avoid exposure with people who have cold or flu-like symptoms

Stay home if you are sick

Thoroughly wash your hands often with soap and water for at least 20 seconds. If soap and water are not available, use an alcohol-based sanitiser or hand rub that contains at least 60% alcohol.

Avoid touching your eyes, nose and mouth with unwashed hands

Cover your nose and mouth when coughing or sneezing. If you do not have a tissue, use your elbow/sleeve

Do not share food, utensils, cups or towels

Lenmed operates in the interest of patient and community safety and the information provided is based on current information on 10/03/2020. This is advice only and does not replace consultation with a healthcare professional.
