

Covid-19 Communication

The **safety** of our patients, employees, doctors and community members is our priority.

Our staff and facilities are **prepared** for the COVID-19 outbreak.

Our procedures are aligned with the **NICD guidelines**.

Exposed or potentially exposed persons

If a person is experiencing mild, flu-like symptoms, they must

1
Contact their doctor immediately

2
Ask for advice

3
Stay at home
– **SELF ISOLATE**

If a person is experiencing a persistent high fever and difficulty breathing, they must

1
Contact their nearest Emergency Unit

2
Call ahead and make arrangements on how to enter the Emergency Unit

3
Follow the advice provided by healthcare professionals on the next steps

Lenmed operates in the interest of patient and community safety and the information provided is based on current information on 10/03/2020. This is advice only and does not replace consultation with a healthcare professional.
