

# COVID-19 STUDENT FIXED TERM CONTRACTS CALLING ON MEDICAL, PHARMACEUTICAL & NURSING SUPPORT FUNCTIONS

Lenmed is inviting Medical and Nursing students to join our team on a fixed term basis to provide support to our Healthcare Heroes in our fight against the COVID-19 pandemic, rendering clinical and administrative support to patients in the COVID-19 units. This is also a doorway for newly qualified nurses wanting to grow their career within the Lenmed Family.

The student roles will entail providing support to clinical staff who are providing care to patients across all categories as per varying levels of care, which will be under the guidance and supervision of the treating Doctors and Nursing teams.

Students will be provided with Orientation and training as well as the appropriate personal protective equipment (PPE).

## Key Work Output and Accountabilities:

The duration of the role would initially be for one month and would be renewable based on operational requirements and mutual agreement between the parties.

The specific roles and responsibilities may vary in accordance with discipline and operational requirements as agreed by the parties on all contracts.

Students will be remunerated in accordance with hours worked and scope of work.

## Inherent Requirements:

The following categories of students may apply for the available positions:

- MBChB students
- Pharmaceutical Students
- Nurses that have recently completed their Community Service (Nurses wanting to grow and expand their career – this is your opportunity)
- Any ancillary students such as Physiotherapy, etc

**If you are interested in the position and wish to apply, kindly forward your CV and copies of Qualifications to:**
